### Description

Get ready for a toolbox revolution with the all-new HAFCO Professional Series – the ultimate gear for your workshop. Forget the flashy colours; it's all about the bold and professional vibes that Nardo Grey and gloss Black bring to the table. Now, your tools don't just work hard; they look dam good doing it.

The HAFCO Professional Series are absolute beasts with units ranging from 56 inches to a whopping 72 inches in size. Choose your weapon – the tool chest, the roller cabinet, or go all out with the Hutch for that super clean and tidy workshop feel.

But it's not just about looks. These toolboxes mean serious business. Gas struts make opening lids easy, while the key lockable feature keeps your tools safe and sound. Soft push-to-close drawers and full-length under drawer opening tabs make opening each drawer from any position a breeze. The ball-bearing slides ensure drawers smooth operation and the larger drawers even sport dual slides for extra strength. Your tools won't slide around or get damaged, thanks to the foam grip mats lining supplied in each drawer and the oversize castor wheels will make pushing these behemoths a breeze.

Upgrade your workshop game today with the HAFCO Professional Series – where toughness meets style in smart shade of Nardo Grey.
