Description

Step up your storage with the HAFCO Professional Series Side Cabinet—built to add serious drawer space without taking over your workshop.

Finished in a sharp Nardo Grey with gloss black accents, it delivers a clean, professional look that matches the rest of the HAFCO Professional Series range.

Designed to suit both 56" and 72" roller cabinets, the rolled steel lip at the top allows mounting on either the left or right side. Once in position, it secures easily with two bolts at the base for a solid, no-movement fit.

This unit isn't just about looks. Smooth ball-bearing slides make every drawer easy to use, while larger drawers feature dual slides for added strength under heavier loads. Soft push-to-close action and full-width opening latches make access quick and effortless from any position.

Each drawer is fitted with foam liners to protect your tools and keep everything in place, while the key lock keeps your gear secure when not in use.

Upgrade your workshop game today with the HAFCO Professional Series – where toughness meets style in smart shade of Nardo Grey.
