### Description

The perfect addition to complement our METALMASTER M28 Pro Series welding tables. Designed for when requiring a double flush transition between 3pcs of fixturing element making it easy to set-up and tear down for your job at hand whether it is big or small. Increase precision & consistency for all your welding tasks to save you time and money.

### Features

- Fast & easy way to securely hold sheet metal in conjunction with fixture elements
- CNC machined surfaces to ensure precision tolerances
- Conveniently placed O-Rings for friction fit
- Burnished finish surface treatment to prevent rust
